OUR PLEDGE TO PARENTS: Having families, we understand that children are important customers who need to be looked after too. That is why we have developed a special menu that reflects our passion for good quality, freshly prepared, seasonal food - infused with a little imagination to appeal to children. Our eggs are free range, our beef is from carefully selected farms in England, and we are equally choosy about our vegetables. We care about our ingredients because we know it matters - to you and to them. Food described in this menu may contain nuts, egg, flour, other known Allergens or their derivatives. If you suffer from any allergy or food intolerance please notify a member of staff before placing order. Please be advised we can not guarantee that any food item in our kitchens will be free from Allergens.
